

**Americana:  
The History  
Behind Our Best  
Loved Folk Songs**

**Traditional American folk songs have a varied and colorful history. Many have traveled far and survived for centuries to be with us today. Using such well-known tunes as *Midnight Special*, *The Crowdad Song*, and *Irene Goodnight*, versatile performer and teaching artist Marianne Payette Carter will guide you on a tour of our rich musical heritage.**

**Playing fiddle and guitar, and sharing little known historical facts about each song, Marianne will soon have you singing down memory lane. These great songs will lift your spirits and get your toes a tappin'. Come join the fun!**

*“Our residents and Associates alike enjoy listening to Marianne. The three music therapists tune in to the performances to learn new techniques for playing guitar”*
